Our vision is to cultivate a nurturing environment that celebrates diversity and encourages personal growth.

We aim to inspire students to become compassionate, thoughtful, and responsible individuals who contribute positively to society. Our vision is rooted in the belief that every child is a precious gift, deserving of love, respect, and the opportunity to reach their full potential.

Through our educational programs, we aspire to develop leaders who are grounded in faith and equipped with the skills needed to navigate the challenges of the future, guided by the principles of love and understanding.

Church Attendance

Faithful church attendance is important for your child. If a person continually misses church, we believe a void will exist that is not being filled. Therefore, we would like to see that all of our students go to church regularly at the place where God has directed your family to attend.

If your family is not currently attending a local church regularly, we invite you to visit us at ***Dynamic Life Praise and Worship Center***. We are a family oriented ministry that places just as much emphasis on children as we do adults. We offer services on Friday Nights at 7:00 p.m. and Family Worship Service on Sunday mornings at 10:00 a.m.. Childcare and children's ministry is available at the Sunday service at 10:00 a.m. For more information about our church, you can visit us at www.dynamiclifeministries.com or call 540-636-9595.

Admissions

Admission to DLCS is a privilege and is based on availability of space in the given class. In order to secure a place for your child at DLCS, all fees and paperwork must be submitted to our registration staff. Once classes have reached their limit, your name will be placed on a waiting list and you will be notified if there is an opening.

Your child may begin attending Dynamic Life Christian School once they reach age 1. All other children will be placed in the appropriate class, based on age as of September 30, 2026.

Our Programs

NURSERY - age 0-1

At Dynamic Life Christian School, our nursery program is more than just childcare; it's a partnership with parents in cultivating a safe and nurturing Christian environment for their little ones. Our dedicated staff understands the critical importance of early childhood development, and we strive to introduce children to the love of God from the very beginning. As young minds readily absorb everything around them, our caring team ensures they are surrounded by positive influences and Christian values, laying a strong foundation for their spiritual and intellectual growth. We believe that by working hand-in-hand with parents, we can provide the best possible start for each child's journey of faith and learning.

PRESCHOOL - ages 2-4

At Dynamic Life Christian School, our preschool program for ages 2-4 is designed to be a cornerstone in a child's educational and spiritual journey. We understand the crucial role these formative years play in a child's development, which is why we prioritize creating a safe and nurturing Christian environment. Our dedicated staff fosters a love for learning and a deepening understanding of God's love through age-appropriate activities and curriculum. From exploring the wonders of creation to learning foundational social and academic skills, our preschoolers are guided by caring educators who recognize the importance of instilling Christian values early on. Together with parents, we aim to shape confident and compassionate individuals who are equipped to thrive academically, socially, and spiritually.

ELEMENTARY - Kindergarten thru 7th Grade

At Dynamic Life Christian School, our elementary classes provide a foundation rooted in both academic excellence and Christian values. Combining the renowned Abeka curriculum with small class sizes, we equip students, teachers, and parents with resources that integrate Biblical principles into every aspect of learning. From mathematics to language arts, each lesson is carefully crafted to instill values of integrity, diligence, and compassion. Our dedicated educators guide students through a rigorous academic program while nurturing their spiritual growth and understanding of God's Word. By immersing students in a curriculum that emphasizes Christian values, we empower them to navigate the complexities of the world with wisdom and faith, preparing them to be confident and compassionate leaders in their communities.

We're excited to announce that starting this year, we'll be introducing 7th-grade classes. Abeka is renowned for its high-quality educational content; paired with our dedicated teaching staff who will provide oversight for all subjects. We're committed to providing a dynamic educational experience that prepares students for success, and we believe that our 7th-grade program will offer a valuable opportunity for growth and achievement of each student enrolled.

Attendance and Tardies

Our Elementary School classes begin promptly at 8:45 am. In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. Our curriculum is designed to fill the entire day, and it is important that your child arrives at school on time. A student who is tardy should report to the school office to receive a Tardy Slip.

Please note: Students that are tardy are subject to disciplinary actions from his or her teacher as well as school administration. A student who arrives late with an excused reason (i.e. doctor note or dentist note), albeit excused, is still considered tardy. A student who is tardy due to unexcused reasons is subject to appropriate disciplinary action as listed below.

4 days of unexcused tardiness in a quarter will be equivalent to one absence.

8 days of unexcused tardiness in a quarter will be equivalent to two absences.

Excessive Absenteeism can result in a child not being promoted to the next grade level.

Our Elementary School classes end at 3:15 pm. Pickup prior to 3:15 pm will be considered an early release for Elementary Students.

Due to fixed costs averaged over the entire year, there is no reduction in tuition for sick days, family vacations, personal days off, weather closings, or other days off as listed in the school calendar. Weekly tuition charges are based on our total operating costs for the school year divided by the number of weeks in that school year. Consequently, there will be NO reduction in contracted weekly tuition amounts due. The full tuition will be charged. This applies even when there are fewer than five days of classes or students are absent on scheduled days.

Fees and Tuition

Fees for enrollment (registration fee, book fee, and supply fee) are non-refundable. First week's tuition and enrollment fees are expected at the time of enrollment.

Tuition is due each Friday for the week to come. If payment is made after 12:00 noon Monday, a late fee of \$25.00 will be placed on your account. A 10% discount is available for all tuition costs paid annually for the entire contracted term.

Due to fixed costs averaged over the entire year, there is no reduction in tuition for sick days, family vacations, school closures, personal days off, weather closings, or other days off as listed in the school calendar. Weekly tuition charges are based on our total operating costs for the school year divided by the number of weeks in that school year. Consequently, there will be **NO** reduction in contracted weekly tuition amounts due. The full tuition will be charged. **This applies even when there are fewer than five days of classes or students are absent on scheduled days.**

If an account balance is more than one week past due, students **will not be permitted to attend school** until the account is settled. The balance may be from meals, before or aftercare or potty charges, not just tuition.

All payments will be made through Tuition Express. If more than two payments are declined, a penalty will be charged and immediate arrangements will be made by parent for keeping the account current.

DLCS provides multiple ways in which payments can be made using Tuition Express:

- Make payments online from home on your computer
- Set up automatic drafting
- Access Tuition Express website through your phone to make a payment
- Call in a credit card payment to the school office in case of online technical errors

LATE FEES will be billed if payment is not posted in the system no later than Monday by 12:00 p.m. Because DLCS provides a number of convenient ways to make your payments, late fees will not be waived.

Students enrolled on a less-than-five-day-a-week contract can "make up" lost days on a space-available basis. Make up days must be pre-arranged and used either **one week before** or **one week after** the lost day(s).

Re-Enrollment

In the spring, you will have the opportunity to re-enroll your child at Dynamic Life Christian School for the following school year before enrollment opens to the general public.

Withdrawal/Dismissal

Our enrollment agreement is a **CONTRACT** between parents/guardians and DLCS. DLCS commits to operating expenses for the school year based on enrollment. Therefore, students may not be withdrawn before the final session day unless released by the Director.

Withdrawal from the school must be made in writing, through the Director's Office, at least one week prior to withdrawal. The request for withdrawal will be documented in the student's permanent record. All accounts must be paid in full before transcripts, report cards, and/or books can be released.

Students who withdraw voluntarily or through expulsion, are responsible to pay a \$500 withdrawal fee per student. Application, registration, and curriculum fees are non-refundable.

Arrival and Departure Information

To support student safety, campus security, and consistent classroom routines, all families are required to follow the drop-off and pick-up procedures outlined below. These procedures are part of the school's overall security plan and help ensure an orderly start and end to each school day.

All individuals entering school grounds are expected to drive slowly and remain attentive to children who may be walking, playing, or being dismissed. Handicapped parking spaces are available at both the upper and lower level entrances and may be used only by vehicles displaying a valid handicapped placard. All other families should utilize unmarked parking spaces.

Before Care Drop-off for children ages 2 and up begins at 7:15 a.m., and nursery (ages 1–2) drop-off begins at 8:00 a.m. Standard classroom drop-off for elementary classes takes place between 8:30 and 9:00 a.m. and preschool classes takes place between 8:45 and 9:15 a.m. Any arrival outside of this window must use the intercom located at the front entrance before entering the building.

For security purposes, all student drop-offs take place in the foyer area. Parents are not permitted to drop children off directly in classrooms. Any parent wishing to visit a classroom at any time, including during drop-off, must first check in with office staff before leaving the foyer area. This procedure applies consistently throughout the school day and is an important part of maintaining a secure campus.

During curbside drop-off, parents may briefly exit their vehicle to assist with unloading their child; however, they must remain with their vehicle at all times. If a parent needs to enter the building for any reason, the vehicle must be parked prior to entering.

Daily dismissal occurs between 3:00 and 3:30 p.m. Families may line up in advance; however, staffing for the pick-up line does not begin until 3:00 p.m., and children will not be released through the line before that time. During dismissal, children ages 1–2 are picked up upstairs, and children ages 3 and up are picked up downstairs.

Parents utilizing the pick-up line are required to clearly display their assigned car number in their vehicle window. If a car number is not visible, the parent will be asked to park and report to the office and present a valid photo ID before the student is released.

All pick-ups prior to 3:00 p.m. require parents to park and come into the office. Students will not be released early through the pick-up line. Classrooms, including preschool classes, remain actively engaged in instructional activities and daily routines such as table checks, cubby cleaning, and classroom transitions throughout the day. For this reason, early pick-ups should be limited whenever possible. Families needing to pick up a child outside of the 3:00–3:30 p.m. dismissal window must use the intercom at the upper entrance.

Parents are encouraged to notify the office in advance when early dismissal is necessary to allow adequate time for student preparation.

After school care is available until 5:30 p.m. Late fees begin at 5:40 p.m. and are assessed at a rate of \$5.00 per child for each ten-minute increment. Each additional ten-minute period late will result in an additional fee. Repeated late pick-ups may result in dismissal from the after school care program.

Food Service

Dynamic Life Christian School offers hot lunches, snacks, and drinks. Our spacious, commercial kitchen has been inspected and approved by the Department of Health. Our staff follows strict cooking and serving guidelines. We offer a well-balanced, nutritious plan to our students.

A packed lunch can include an item for heating. The item that requires heating must come in a separate container in which it can be heated and served.

Upon arrival in the morning, you will need to indicate to the drop off staff member whether your child will be buying lunch and/or snack.

All meals and snacks will be billed to your account at the end of the week. If your child does not bring lunch or snack, one will be provided and your account will be charged.

Lunch \$6.00
Snack \$3.00

Your child is allowed to bring snacks to share when celebrating special occasions, however these must be store bought with ingredients printed on packaging.

Supply List

You will need to send the following items to school with your child to begin the year:

- All ages: One change of clothes (placed in a labeled bag)
- Full-sized backpack
- Age 2: Three-fold resting mat if napping (small blanket and/or pillow is permitted)
- Ages 3-4: Nap blanket and small pillow
- Play shoes (must have shoes appropriate for outdoor play)
- Children who are not potty trained will need one pack of diapers and wipes per week

Please label all of your child's belongings. Dynamic Life Christian School is not responsible for lost items. All other school supplies are covered in the supply fee which is paid at registration.

Cell Phone and Smart Watches

Cell phones, smart watches, fitbits, or airpods are not permitted at school. Students may keep a cell phone in their backpack or locker for use after school. Any students found with these devices during school hours will receive a consequence. The devices will be taken to the office and held until the end of the day for parent pick up.

Snow Days and Emergency Closings

For emergency announcements regarding snow days and late openings, visit our facebook page at [www.facebook.com\dynamiclifechristianschool](https://www.facebook.com/dynamiclifechristianschool). We will also send out emails and Procure messages to all families who have signed up for Procure communication. This is our main source of parent communication and should be monitored for updates during possible closures. **Reminder: There is no adjustment to weekly tuition for snow days, weather delays, unforeseen circumstances, or emergency closings.**

Delays

On days that the school experiences an emergency delay, classroom doors will not be opened until a specified time. Early arriving parents may remain with students in their car until staff is ready to begin classes. Kindergarten thru 7th grade students will be considered tardy if they arrive fifteen or more minutes after opening begins.

Field Trips

Fields trips are designed to encourage learning through fostering a "hands on" approach. Students must return signed permission slips to the office by the designated due date in order to participate. Additional field trip fees may apply.

Transportation will be provided by an approved, appropriately licensed driver. One year old and two year old students require a car seat. Parents are welcome to accompany their child on field trips. Parents of one and two year olds are strongly encouraged to attend. In order to ensure the safety of all students and staff, as well as provide a fun, enjoyable trip, all students are expected to be well-behaved while on field trips. If a student demonstrates they will be unable to behave on a trip, the parents will be contacted to make other arrangements.

Health Information

Illness spreads from child to child very quickly. Students with fevers, contagious or infectious diseases or symptoms will be sent home promptly and excluded from school activities.

DLCS does not provide child care for students with fevers or other symptoms. It is the parents' /guardians' responsibility to arrange for PROMPT PICKUP, within 30 minutes, of a student deemed too sick to remain in school. If a child is not picked up within 30 minutes of initial contact, Dynamic Life Christian School may impose an additional charge to the account to cover the one on one care provided.

Children should not come to school if they have had a fever of 100 degrees or above. Once the child is confirmed to return to school by a healthcare provider or does not have a fever of 100 degrees or above without the use of fever-reducing medicine in the last 24 hours, they are able to return to school. Children are not permitted to attend school if they have vomited or had diarrhea within the last 24 hours or may have an illness which is contagious. If your child has two or more flu like symptoms such as runny nose, fever, flu, cough, sore throat, body aches, congestion, extreme fatigue, or any behavior that is unusual for your child and may indicate illness, they cannot be brought to school unless a note is on file from a medical provider that has determined the child is not contagious. A doctor's note can remain on file for a child so long as no additional symptoms occur. If symptoms clear up for 72 hours and restart again, a new doctor's note will be required to ensure the child is not contagious. If there is a fever present, the child must be fever free for a 24 hour period without the aid of a fever reducing medication.

Children with bacterial/viral pink eye are not permitted to attend school until the condition has been treated. Please contact the school if your child has either of these. They must have a doctor's note stating that they have been treated before they can return to school. Children with head lice nits are not permitted to attend school until three days after treatment has begun. Upon returning to school after treatment, school staff will perform a head check to determine if the child can return to class.

Daily Health checks are conducted by trained staff throughout the day to ensure the health and safety of our staff and students. If a child becomes sick while at school, they will be isolated and a parent will be notified to pick up the child. This will be done automatically if your child has a fever or if there is pain that has resulted from an injury. If both parents are unavailable, please have a relative, neighbor, or friend to care for your child. The name of this designated person must be written on your child's emergency information form. Teachers and office staff cannot take the responsibility of caring for a sick child.

Immunizations

At the time of admission, your child must provide up to date and accurate immunization records. The following Department of Health required immunizations and dates of administration must be met prior to the student entering Kindergarten:

- *Series of 4 DTAP doses with one on or after 4th birthday
- *Series of 4 POLIO doses with one on or after 4th birthday
- *2 doses of Measles, Mumps, Rubella (MMR)
- *Series of 3 Hepatitis B doses
- *Series of 2 Hepatitis A doses
- *Series of 2 VARICELLA doses
- *Series of 2-4 HibB doses depending on the age of first dose
- *Series of 2 HPV doses with one before entering 7th grade

If a family chooses not to immunize their child because of religious, personal, or medical reasons, the family must submit a Commonwealth of Virginia Exemption Certificate in lieu of the immunization record.

Medication

All prescription and over the counter medication must be brought to the office and can be administered only by trained staff once the proper forms have been completed. Medication can only be administered with correctly completed proper forms. Once forms are completed, bring medication in it's original package, labeled with the child's name, to the office to be stored. **DO NOT put medication in a backpack, lunch bag, or leave with child.**

Physicals

Physical exams are required for entrance into Kindergarten and new enrollment into Elementary Classes.

Prevention of Child Abuse

Parents and guardians have the primary responsibility for the health and well-being of their child. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the School Administrator. At that point, confidentiality must be respected.

According to the *Code of Virginia*, (section 63.2-1518) *Authority To Talk to a Child or Sibling*, "Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his/her siblings without consent of and outside presence of his or her parent, guardian, legal custodian, other person standing in, or school personnel."

Dress and Grooming Codes

The following dress code at DLCS is to be observed each day during the school year, for all school programs, and field trips; unless the school has informed parents otherwise. (e.g. special dress up days)

Dynamic Life Christian School reserves the right to make the final decision in questionable areas of dress code. Parents may be called to bring appropriate clothing when students do not follow the dress code.

Parent-Teacher Communication

Teachers are expected to be reasonably available to parents/guardians throughout the school year to keep the lines of communication open in the best interest of the students. Parent-Teacher conferences are recommended certain times of the year, but can also be scheduled throughout the year, if necessary. Dynamic Life Christian School uses a service called PROCARE PARENT PORTAL for daily communication with parents regarding class room activities, behaviors, and upcoming events. This app can also be used to communicate with the teachers directly as well as to share pictures or student information. Parents/guardians are expected to keep contact information updated in the office.

Parents must provide the school with at least one form of emergency contact which the parent or emergency contact person can be reached during school hours in the event of illness or emergency.

Harmony and Unity

God is pleased when we dwell together in harmony. Therefore, Dynamic Life Christian School adheres to the principles set forth in Matthew 18 regarding relationships and communication. The Matthew 18 principle states that if one has been offended or has a concern of any kind, he should go immediately to the person involved and discuss the matter in love. The goal is to have relationships restored and strengthened for the honor of God.

DLCS is in partnership with parents as an extension of the Christian home. It is the desire of DLCS to apply Christian based education to guide students in developing and maintaining peaceful relationships inside and outside the classroom. We model positive conflict resolution through Christ-like communication and problem solving.

We have a strict policy at Dynamic Life Praise and Worship Center that we adhere to at DLCS: ***"No division, no dissension, and no discord will ever rule in this house."***

Student Conduct

We believe our students have the ability to know God, walk with Him, make good choices, and demonstrate Christian character. Our students can and do make a positive impact on their world. Children are a blessing from the Lord and deserve our best efforts for their nurture and their education.

Students have a responsibility as well. We expect that the students, while remaining "children," will demonstrate good behavior. Our teachers will encourage students to "get along" with each other and will work with them to resolve conflicts according to Biblical standards.

If a student is diagnosed with a learning disability that cannot be managed in a regular classroom or setting, by the advice of a physician or a licensed clinical psychiatrist, parent/guardian will be given the option of canceling the contract, or fully providing all necessary funds to educate the child (e.g. tutor, classroom aide, materials, etc.). This amount will be determined on an individual basis and presented by school administration to the contract holder.

DLCS staff, faculty, and administration have partnered with parents to provide an environment that is conducive to Christ-centered education. We pledge to our parents to do our very best to provide an atmosphere of learning and one that promotes strong Christian character and development.

Discipline

Discipline at Dynamic Life Christian School is a reflection of our love for our students and our desire to see them grow in self-control, character, and responsibility. We view discipline as a genuine act of care and guidance, rooted in Biblical principles and a commitment to helping each child succeed. Scripture reminds us that God honors willingness and obedience (Isaiah 1:19), and we seek to encourage these qualities through positive reinforcement, consistency, and grace.

All students are expected to conduct themselves in a manner that supports a safe, respectful, and orderly learning environment. Expectations for behavior are developmentally appropriate, and age-related differences in social and emotional growth are understood and taken into consideration. The primary objective of any disciplinary action is to teach self-control and self-discipline while preserving the dignity of the child and the integrity of the classroom.

Discipline is typically handled by the classroom teacher using standards that are clearly communicated to students. Positive reinforcement and encouragement are emphasized as the primary tools for behavior guidance. When additional correction is needed, appropriate measures may include redirection, loss of a privilege, time away from an activity, or other age-appropriate consequences selected to promote reflection and growth rather than resentment.

During the school day, preschool students who require extra attention will be given multiple opportunities to redirect their behavior and “turn their day around.” We recognize that young children are in different stages of social and emotional development and may need additional guidance as they learn to function within a group setting.

When a student demonstrates ongoing behavioral challenges or has identified special needs, these situations are addressed on an individual basis. Dynamic Life Christian School is committed to partnering with parents, teachers, administrators, and, when appropriate, outside resources to support the child’s success. Open communication is a priority, and behavioral concerns, interventions, and next steps will be clearly documented and discussed so that families are not caught off guard by disciplinary decisions.

DLCS does not provide therapeutic or clinical services. When additional support is recommended, the school may collaborate with families and the county to help facilitate access to appropriate services. These services often occur during the school day and may require parent transportation. DLCS is not responsible for transporting students to or from outside therapy or support services. Participation in outside services is intended to support the child but does not guarantee continued enrollment.

As part of this partnership, families are expected to reasonably consider and participate in recommendations made by DLCS staff or administration that are intended to support the child’s ability to function successfully within the classroom environment. Parents are also encouraged to share strategies that have been effective for their child; however, all proposed strategies must be appropriate and feasible within a group classroom setting. When meaningful collaboration or follow-through is not possible, or when a child’s needs consistently exceed what can reasonably be supported, the school may determine that DLCS is not the best placement for the child at that time.

If, after reasonable attempts at redirection, a preschool student is unable to regain appropriate behavior, the parent or guardian will be contacted and required to pick up the child **within 30 minutes** of notification. Dynamic Life Christian School does not have one-on-one therapeutic staff available to manage severe or ongoing behavioral needs.

If a child is sent home due to behavioral concerns on **three separate occasions**, DLCS administration may determine that a one-on-one aide is required in order for the child to continue in the program. Any required aide must be funded by the family and would be an additional cost beyond tuition. Parent-provided aides must be appropriately licensed and approved by the school board. If a family chooses not to provide a required aide, the child may be dismissed from the program.

For elementary students, additional disciplinary measures may include lunch detention, in-school suspension, and/or behavior contracts. These interventions are intended to provide structure, accountability, and support while helping students develop responsibility and appropriate decision-making skills.

Dynamic Life Christian School values families who are willing to work in partnership to support their child through challenges. While every effort is made to accommodate and assist students, **DLCS reserves the right to determine appropriate placement or to deny or discontinue enrollment** when it is determined that the school is unable to meet a student's needs while maintaining a safe and effective learning environment for all.

Security

We currently have a security monitoring system, which includes cameras, throughout our building and grounds. We have Fire Marshal-approved fire alarm and emergency evacuation plans. We routinely drill according to the specifications in the evacuation plans recommended by the Fire Marshal. We permit access into our building through only one location, the upstairs foyer area.

The teachers and staff at Dynamic Life Christian School are committed to providing safety and security for all students. We pray regularly for the safety of our school. We recognize that having God's hand of protection on our school is the greatest asset in our safety plan.

One outstanding quality of our teachers and staff is alertness. Our teachers and staff maintain a constant state of alertness while in the classroom and as they move throughout our facility. They care very much about the well-being of each student. Their attentiveness is valuable and essential while caring for young children.

To provide maximum security for our students and staff, we limit access of our building to **staff and students only**. The door at the top of the stairwell remains locked. All visitors are screened at the front entrance before being permitted access to our building.

Safety and security are a major priority at Dynamic Life Christian School. The systems, practices, and plans mentioned above provide an excellent foundation for safety in our building. We routinely consult with experts in order to obtain their advice and suggestions on enhancing security in our building.

Student Records

In cases that involve custody or other court orders, the parent or guardian is solely responsible to provide appropriate documentation and update us with any changes.

DLCS reserves the right to change its policies at any time, with or without notice.
